Dear Joe,

On behalf of the Phoenix Affiliate of Susan G. Komen for the Cure we would like to express our deep appreciation for the total donation of \$24,500 raised from the Chipping Away at Cancer Golf Tournament. We so appreciate your support and look forward to a long and happy partnership! What a great event!

Komen is about people who are committed to making a difference. With a network of over 100,000 volunteers we are the largest private funder of breast cancer research.

Your contribution helps us provide much needed funds for the education, screening and treatment programs in Central and Northern Arizona as well as fund breast cancer research. Thanks in part to your donation, we can continue to reach out and spread the message of early detection and the many services and treatment options available, and work towards finding a cure.

Warmest regards,

Charles P. Thompson  
Board President

Manager of Fund Development

Three simple steps to early detection are regular mammograms, clinical exams and breast self-exams.
