

Dear Friend,

It is with great honor that we announce the date of our *2011 Chipping Away at Cancer Golf Tournament*. This year's event will be held on Saturday, August 27th at the Legacy Golf Resort in Phoenix. With over \$25,000 raised at our last event, our four-year total contribution to cancer organizations exceeded \$70,000. Each year our sponsors, participants, and volunteers generously give in record numbers, and we are once again asking for your charitable support.

This year, all net proceeds will be endowed to Susan G. Komen for the Cure. Established in 1982 by Nancy Brinker, Susan G. Komen for the Cure was created from a promise made to her sister Susan Goodman Komen, who died from breast cancer at the age of 36. Today, Komen for the Cure is an international organization with a network of over 100,000 survivors and activists. Up to 75% of all monies raised stays within the local community, and 25% funds the Komen Award and Research Grant Program.

This year's event will once again include a scramble-style tournament, giveaways, raffle drawings for a variety of prizes, a silent auction, and a generous lunch. Contests will include Longest Drive, Hole-in-One, Lowest Team Score, and Highest Team Score. The Hole in One Contest will give golfers a chance to win \$10,000 should they Ace the selected Par 3. Please sign up a foursome to play and come enjoy a fun, competitive round of golf with your friends at a great venue, all while contributing to a worthy cause.

In addition to your participation fielding a foursome for the event, there are numerous ways you can help as a tournament sponsor. As a sponsor, your organization will be recognized by many individuals and business networks from across the Valley. A description of sponsorship levels is enclosed along with associated prices, and donations (minus the cost of golf) are tax deductible. We are also accepting items for our silent auction and raffle drawing. Please join us in the *Chipping Away at Cancer Golf Tournament* and donate today by mailing the enclosed sign-up form along with your check, or contact us for more information.

*Chipping Away at Cancer* began as a group of friends wanting to make a difference in the lives of those touched by cancer. No longer able to passively sit by and watch while friends and family members continued in their struggle, we chose to take action. Please join us in taking action and becoming part of the solution this year. Thank you in advance for partnering with us in 2011, as your contribution will make an important difference in the lives of those affected by breast cancer.

Sincerely,

Joe Mignacca
